Risk Profile

This Fund is relatively high risk in relation to other asset classes due to its equity-based investment approach and the potential for emerging and frontier markets exposure, it may be affected by uncertainties such as international political developments and changes in governmental policy or taxation. Irish domestic law implementing EU and United Nations sanctions may limit or prohibit investment in certain markets and this may have an adverse impact on the operations of the Fund. Investing in international companies means that currency exchange rate fluctuations will have an impact on the Fund returns. Foreign currency shortages in some markets could reduce the fund's ability to repatriate funds. The investment manager aims to reduce the overall risk by their value and fundamental stance. Other risks are Settlement and Clearing Risk, Political Custody Risk, Legal Risk, Efficient Portfolio Management Risk Reinvestment of Cash Collateral Risk And Securities Lending Risk. Further information regarding risk can be obtained by reference to the Prospectus and Supplement.
