Important information to be aware of before you invest

There are 3 different ways of investing:

- Via an independent financial adviser. We recommend you discuss any investment decisions with a financial adviser, particularly if you are unsure whether an investment is suitable. Jupiter is unable to provide investment advice. If you do not have a financial adviser, you can search for one at www.thepfs.org/yourmoney/ find-an-adviser/ or www.unbiased.co.uk *
- Via a fund platform. Platforms are able to aggregate large numbers of clients across different investment managers, sometimes offering lower minimum investment amounts and lower fund charges as a result. You can compare the cost of a selection of different platforms at https://www.comparefundplatforms.com/ *
- Directly with us via online dealing , phone or by completing this application form

If, for any reason, your instruction cannot be dealt within the above timescale your investment will either be returned to you or retained in a noninterest bearing client money account until it has been allocated.
